

Marysville Goodwill

Classroom access instructions

We are happy to welcome you to your training class at the Marysville Goodwill. Please read these instructions carefully!

Important: Please do not browse the store before class.

The store is closed before 10 a.m., and we want to be respectful of their staff and hours. You are welcome to shop during lunch or breaks once the store is open.

Please **do not park right in front of the store.** These spots are reserved for shoppers.

Please **do not enter through the main doors.** The store will not be open when you arrive.

- ✓ **Use the Youth Aerospace Program entrance,** which is a small door to the right of the main entrance. Someone should be there to greet you at the desk just inside the door. You will follow the Youth Aerospace Program signs to the classroom. Class will be held in the Multi-Purpose Room.
